Dear Property Owner,

RE: Issuance of 2020 Rental Certificate

Due to Covid-19 pandemic, the Eastham Health Department will be postponing all rental inspection until 2021. Rental properties located in assessing maps 1-7 that have not been inspected in 3 years and all new rentals would have required a rental inspection of the property prior to the issuance of the rental certificate.

A 2020 Rental Certificate will be issued to the above mentioned properties if you have done the following:

- Completed Rental Application
- Completed form below

Please check the following items:

- Smoke and carbon monoxide alarms are existing on every level of the dwelling, including the basement.
- I have tested all of the smoke and carbon monoxide alarms, on every level of the dwelling, including the basement.
- All of the smoke and carbon monoxide alarms sounded when tested on _____.
Date

Property Address _____

Signature

Please submit all of the above to the Eastham Health Department with the \$75.00 application fee. Your 2020 rental certificate will be emailed to you.

If you have any questions or concerns please contact the Eastham Health Department at 508.240.5900 x3230 or x3239.

Respectfully,

Eastham Health Department
